

Montreal, Canada – March 7th, 2007 – Today, **Internet Payment Solutions, Inc.** and Canadian Massively Multiplayer Online Game ('MMOG') specialist **Alchemic Dream, Inc.** announced a partnership for the PayByCash™ system.

PayByCash™ connects merchants who want to reach a global consumer, with customers who want or need the ability to pay for goods or services without a credit card. MMOG customers playing *Ultima Online*, *Dark Age of Camelot*, *Runescape*, *Ragnarok Online*, *Everquest*, *Everquest II*, *Dungeons & Dragons Online™: Stormreach™* and many other titles can use PayByCash™ to pay their monthly bill.

Alchemic Dream will handle localization of the PayByCash™ website and of the services it offers, as well as customer support for those services. Alchemic Dream's deep knowledge of MMOG management will undoubtedly be an asset in this partnership. The company is already handling customer support and localization for games like *Lord of the Rings Online™: Shadows of Angmar™* and *Dungeons & Dragons Online™: Stormreach™*.

About Internet Payment Solutions, Inc.

Internet Payment Solutions, Inc. ('PayByCash™') has been empowering non-credit-card customers and the Internet businesses that want to reach these customers **since April, 1998**. In that time, PayByCash™ has established relationships with Electronic Arts, Sony Online Entertainment, Mythic Entertainment, and some of the largest subscription game providers in the world.

Internet Payment Solutions is dedicated to ensuring that merchant adoption of the PayByCash™ service is nearly frictionless and that their customer support is unmatched in the payments industry.

PayByCash™ offers the only service where customers paying without a credit card bring merchants greater margins than credit card customers! Most merchants pay no transaction fees to PayByCash™, and PayByCash™ handles the account management and customer service for customers paying via their system.
