Alchemic Dream Inc. announces the much anticipated re-launch of the PlayMMO.com game portal

Massively Multiplayer Online Game ('MMOG') specialist Alchemic Dream, Inc. announced the re-launch of the much awaited game portal: PlayMMO.com. "We're delighted to relaunch our PlayMMO portal which is an important part of our development strategy. In the next years, a lot of new tools and major games will be added for the pleasure of our ever-growing community." says Aurélien Merville, Alchemic Dream's CEO.

The PlayMMO.com community portal is all about MMOG gamers, MMOG developers and everything in between. PlayMMO makes use of exciting articles, informative guides, discussions and interactive debates designed to bridge the gap between gamers and game developers by providing a safe environment for two-way communication.

It also provides an avenue to showcase Alchemic Dream, Inc.'s affiliate work in a mature, neutral and informative spotlight. Community members are able to offer feedback and constructive criticism to both community and affiliate issued content. Users may also make use of informative fan sites and guild roster listings related to the games the affiliates operate. PlayMMO.com also strives to exhibit a wide selection of game related and general interest articles, news and guides for the players of these games.

PlayMMO.com rewards the community participants through an interactive rewards system (the AD Bank) where they can earn credits for various game related giveaways. The site is provided in both English and French.

PlayMMO.com has been created by gamers, for gamers.
